TO OUR CUSTOMERS:

CONCERNING OUR POSTWAR PLANS.

We are happy to resume our selling trips, discontinued during the war. It will certainly be a pleasure to again visit our friends who have been so loyal in mailing in their orders these past four years.

Our TECOLOTE Bulb Fields, acreage planted has been increased by 20% this year, so if we have a good growing season, the supply of Tecolote Giant Ranunculus, Anemones and Freesias will be larger, although still under pre-war crops.

Your King Alfred Daffodil contract orders have regularly been filled in full with the finest stock. We believe other varieties of Daffodils and Iris will be in better supply next season, but it will take several years to bring bulb stocks up to normal.

Holland Tulips and Hyacinths orders will be booked for next season, and filled with Highest Quality Bulbs at the most reasonable price, and we hope you will again favor us with your orders for them.

ROGGLI'S Genuine Original Pansy Seed is now on the way and should be here by February. So, if you do not have an order placed for this grand strain, be sure and send one to cover your spring, summer and fall plantings.

Again we thank you for your patience and consideration, as well as the many fine orders you sent us during these past four years of shortages.

Very truly yours,

DAVIDS & ROYSTON BULB CO. Inc.
